improved with curtains over the hat and cloak racks.

University Notes.

The public lecture at the university tomorrow night is the last one of the faculty series. Dr. James E. Talmage wiil speak upon "The Everlasting Hills," a subject which has a charm for every lover of nature. The talk will be fully illustrated with numerous stereoption views, which the doctor has carefully prepared. No doubt this lecture will be one of the most interesting and instructive of the series. The many friends of the university are cordially invited.

versity are cordially invited.

In the laboratory building next Friday night, March 31, Dr. C. J. Freeman will speak upon "Manila and the Philippines." Dr. Freeman is known as an able lecturer, having lectured in many of the largest cities of the United States and Europe, and before the Royal Polytechnic of London. During his extensive travels, collecting materials for the late Dr. E. A. Freeman, professor of history at Oxford, the lecturer has visited the Philippine islands and made a careful study of lands and made a careful study of them and their inhabitants. The lec-ture is given under the auspices of the students' lecture course. The students generally are delighted

with the prompt action of the board of regents looking to the early removal of the university to its new home. They were pleased to learn that a committee has been appointed to visit the most convenient and best equipped college buildings in the country, that the new university buildings may be madera in university buildings may be modern in every respect. They were glad to note that trees will be planted around the tract at as early a date as possible. Although the students regret that the

tue teacher at the Lincoin and Whittier schools the past week.

W. F. Colton, formerly a member of the board of education, is spending a few days on the Pacific coast.

The schools of this city will close for the spring vacation on Friday, March 31. Work will be resumed on Monday, April 10.

A number of prominent educators from the east are expected to visit the city schools this week.

Professor W. G. Roylance of the university spoke before the Rox Elder county teachers at Brigham City yesterday.

At the Delta Phi last Thursday night

Weber Stake academy. Mr. Haisg leaves on a mission to Hamburg, Germany.

George Woodward of St. George has given \$400 toward the erection of the new school building in that place.

A fine reception was given the teaching fraternity at Monroe on Friday by the citizens of the place. Superintendent Van Cott of Salt Lake county, Professor Stewart of the university and President Tanner of the agricultural college took prominent parts in the programme. × ◆ 666 ◆ 666 6 ◆ 666 5 ◆ 766 6 ◆ 666 ♦ 666 6 ◆ 666 6 ◆ 666 6 ◆ 666 6 ◆ 666 6 ◆ 666 6 ◆ 666 6 ◆ 666 6 ◆ 666 6

college took prominent parts in the programme.

The Jackson school will give a musical programme and festival at the school building on Friday evening, March 31, and Satu.day afternoon and evening. April 1. The proceeds will be devoted to a plano fund.

The next regular meeting of the city teachers will occur in the high school assembly room on Saturday, April 1. A paper on "Truancy." by Principal Martifi of the Grant school, will be read, and discussion will follow. The literary feature completed, the usual monthly checks for salaries will be issued by Clerk J. B. Moreton.

Judge Henderson and President Nelden of the board of education visited the Lowell on Friday.

Mes. W. E. Graves enbettwied at the content of the grave of the state of the grave of the state of the state of the state of the content will be a varied one, as the Athletic association will peare for the east during the component of the western colleges first, and will go east probably as far is New York. They go lams for the new university buildings, preparatory to the drawing up of plans for the new university buildings. The students are circulating a petition asking for a recess on the 6th and the provocation of the meeting of academy students, to ascertain more definitely what can be done. It is probable that the contest will be a varied one, as the Athletic association will peare one, as the Athletic association will peare one, as the Athletic association will peare one, as the Athletic association will pear to the city what can be done. It is probable that the contest will be a varied one, as the Athletic association will peare one, as the Athletic association will probable that the contest will be a varied one, as the Athletic association will probable that the contest will be a varied one, as the Athletic association.
